Form CRS Customer Relationship Summary

June 30, 2020
Updated March 1, 2021

Introduction

WestPark Capital, Inc. (“WPC” or “the Firm”) is registered with the Securities and Exchange Commission (SEC) as both a broker-dealer and an investment advisor and is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). Brokerage and investment advisory services and fees differ and it is important for you to understand these differences.

Free and simple tools are available to you at <https://www.investor.gov/CRS> which also provides educational materials about broker-dealers, investment advisors, and investing.

What investment services and advice can you provide me?

Brokerage Services

Response: WPC offers a broad spectrum of brokerage-based investment products and services via our comprehensive open architecture product platform, including equities, Initial Public Offerings (IPO’s”), fixed income, mutual funds, Exchange-Traded-Funds (“ETF’s”), variable annuities, Real Estate Investment Trusts (“REIT’s”) and private placements.

All recommendations are based upon a client’s investment profile, risk tolerance, investment time horizon, and other criteria. The Firm does not utilize discretion in brokerage accounts, and while the Firm may make a recommendation to a client, all investment decisions are made by the client.

The Firm does not monitor accounts other than to make recommendations to the client.

The Firm does not impose a minimum account size to open an account. For more information about the Firm’s activities, products, and services, please see www.wpcapital.com.

Advisory Services

Response: WPC offers Financial Planning, Investment Management, Third-Party Investment Management Services (TPMs), and other customized advisory services. Financial Planning services are available to individuals, trusts, families, and retirement accounts; Investment Management services are available to sole proprietorships, corporations, business trusts, etc.

Third Party Investment Management services are available through various third-party money managers (TPM).

WPC may use discretion over your account, depending on the advisory agreement you sign.

A TPM will have discretionary authority over your account and selects investments based on your investment profile, which takes into consideration such factors as what is in your best interest, your investment objectives, risk tolerance, time horizon, strategy and any restrictions you may indicate.

WPC monitors advisor accounts on an on-going basis.

For additional information regarding WestPark Capital, Inc., please refer to the Firm’s ADV Part 2A/Brochure, Items 4, 7 and 8, which can be found at <https://adviserinfo.sec.gov/firm/summary/39914> or from the Firm’s website, www.wpcapital.com or from the Firm.

Conversation Starters. Ask your financial professional: *Given my financial situation, should I choose an investment advisory service? Should I choose a brokerage service? Should I choose both types of services? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education, and other qualifications? What do these qualifications mean?*

What fees will I pay?

Brokerage Services

Response: There is no fee for opening or having an active account open. If you open a brokerage account, you will pay us a **transaction-based fee**, generally referred to as a commission, typically when you buy and/or sell a security (other than a private placement).

The Firm earns fees from executing transactions as agent for its clients. The firm also earns a markup/markdown on transactions in which it acts in a principal capacity. The Firm has a minimum commission of \$65 regardless of the size of the transaction.

The Firm earns commissions from the sale of mutual funds in the form of an upfront commission and for certain products, a trailing commission, (commonly known as a 12b-1 fee).

The Company also earns commissions and fees from the sale of private placements, IPO's and secondary offerings. These fees and commissions are outlined in the respective prospectus or private placement memorandum specific to the offering.

Please refer to the [WestPark Capital Fee Schedule](#), which is included in the new account paperwork, for additional fees. A client may be entitled to a lower sales charge based upon the amount of assets they purchase or maintain at each respective mutual fund, variable annuity or alternative investment sponsor.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce the amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Advisory Services

Response: Financial Planning and Management Fees are determined on a case-by-case basis. WPC charges an asset management fee, which is based upon a client's assets under management and can range from .25% to 2.75% of assets. Financial Plans can range from \$150.00 to \$7,500 per plan depending upon the complexity of your plan.

Consulting Fees are determined on a case-by-case basis, dependent on the nature of the consulting and can be either one-time, ongoing hourly or a flat fee.

If a TPM manages a clients' assets, they will also charge fees, which are in addition to the Firm's fee. All fees are negotiable, and are exclusive of transaction fees, a portion of which may be shared with the Firm and should be considered additional compensation to the Firm. You may incur certain charges imposed by others, such as commissions, TPM fees, custodial fees, deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes. These charges, fees and commissions are exclusive of and in addition to the TPM's fee.

WPC does not receive any portion of these commissions, fees, and costs. WPC does not charge performance-based fees.

You will pay fees and costs whether you make money or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you will be paying.

For additional information regarding WestPark Capital, Inc, please refer to the Firm's ADV Part 2A/Brochure, Item 5, which can be found at <https://adviserinfo.sec.gov/firm/summary/39914> or from the Firm's website, www.wpcapital.com.

Conversation Starter. Ask your financial professional: *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

What are your legal obligations to me when providing recommendations as my broker-dealer or when acting as my investment advisor? How else does your firm make money and what conflicts of interest do you have?

Brokerage Services	Advisory Services
Response: When we provide you with a recommendation as your broker-dealer or act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples to help you understand what this means: A conflict may exist when we recommend a brokerage account versus an advisory account, in that you may pay more in commissions than you may pay in advisory fees. Another example of a potential conflict of interest is that we may recommend the purchase of a mutual fund that not only pays us an up-front commission, but may also pay us an on-going commission (commonly referred to as a 12b-1 fee.) A conflict also exists when we recommend a private placement in which we act as the managing broker-dealer, as the more sales that are made, the greater the commissions and other compensation that is paid to us. These and other conflicts are mitigated through the enforcement of our written supervisory procedures, which require that we act in the best interest of all clients, regardless of the size of their assets with us. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the recommendations and investment advice we provide you. Here are some examples to help you understand what this means: The Firm's investment advisors may also be registered to act in a brokerage capacity, in which case they may recommend brokerage accounts or transactions which may result in you paying higher fees and commissions than if you used advisory services. Certain of the Firm's advisors are also licensed to sell insurance products in their capacity as licensed agents. You are not required to purchase any recommended products through the Firm. WPC does not allow its advisers to be dually affiliated with another RIA. In establishing this requirement, WPC believes it has mitigated an additional conflict of interest which we believe is in the best interests of our clients.

For additional information regarding WestPark Capital, Inc., concerning additional conflicts of interest and the manner in which WPC addresses or mitigates such conflicts, please see the Firm's ADV Part 2A/Brochure, Items 10, 11, 12 and 14, which can be found at: adviserinfo.sec.gov/firm/summary/39914 or from the Firm's website, www.wpcapital.com

Conversation Starter. Ask your financial professional: *How might your conflicts of interest affect me, and how will you address them?*

How do your financial professionals make money?

Brokerage Services	Advisory Services
--------------------	-------------------

Response: Compensation paid to the Firm's registered representatives is based upon the total commissions generated by the representative. This creates a conflict in that they may recommend products that, if purchased/sold, may result in them receiving higher compensation. This also creates a conflict because this creates an incentive to recommend transactions in your account in excess of those that may be suitable based upon your investment objectives, risk tolerance and other factors.

The majority of the Firm's supervisors are paid a salary and bonus which is based upon overall Firm profitability, including business lines for which they do not have any day-to-day responsibilities.

The Firm manages these conflicts through its written supervisory procedures, Code of Ethics and the enforcement of regulatory rules and regulations.

Response: The Firm's investment advisers can be paid a percentage of the assets under management, a flat-fee for a financial plan, or fees for providing consulting services and other fees generated from your account(s) that will be disclosed to you prior to completing account documents. This compensation structure may create conflicts of interest in that the adviser may recommend that you place more assets in an advisory account, rather than a brokerage account with us.

Response:

- Authorization.** I appoint You as my agent for the purpose of carrying out My directions to You in accordance with the Terms and Conditions of My Agreement with You for My account and risk with respect to the purchase or sale of securities. To carry out Your duties, You are authorized to open or close brokerage accounts, place and withdraw orders and take such other steps as are reasonable to carry out My directions. Unless I give You discretion by written authorization, all transactions will be done only on My order or the order of My authorized delegate except as described in Section 8.
- Role and Responsibility of Clearing Broker.** I understand that Axos Clearing carries My account(s) as clearing broker pursuant to a carrying agreement, also referred to as a clearing agreement, between My Introducing Broker Dealer and Axos Clearing, and that Axos Clearing will clear all transactions under this Agreement pursuant to that carrying or clearing agreement. If My account has been introduced to Axos Clearing and is carried by Axos Clearing acting solely as a "clearing broker," I agree that Axos Clearing is only responsible for the execution, clearing and bookkeeping of transactions made and is not otherwise responsible for the conduct of My Introducing Broker Dealer. I further understand that transactions may be executed by other broker-dealers, including My Introducing Broker Dealer as principal. I understand that Axos Clearing provides no investment advice in connection with this account nor does Axos Clearing give advice or offer any opinion with respect to the suitability of any transaction, security or order. I agree to hold Axos Clearing harmless from and against any losses, costs or expenses arising in connection with the delivery or receipt of any such communication(s), provided Axos Clearing has acted in accordance with the above. The foregoing shall be effective as to My account until written notice to the contrary is received from Me by Axos Clearing or My Introducing Broker Dealer. You will respond to inquiries I may make concerning My brokerage account and if any inquiry is in the form of a complaint regarding My Introducing Broker Dealer, Axos Clearing will be responsible for (i) promptly notifying My Introducing Broker Dealer about the complaint; (ii) providing Me with an acknowledgement that Axos Clearing has done this; and (iii) providing a copy of My complaint to My Introducing Broker Dealer's designated examining authority.
- Effect of Reports and Statements.** I agree that reports of execution of orders and statements of My account shall be conclusive if not objected to within ten (10) days after transmittal to Me by mail or otherwise. Such objection may be oral or in writing, but any oral objection must be immediately confirmed in writing.
- Important Information About Procedures for Opening and/or Maintaining an Account.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for Me: When I open or maintain an account carried by Axos Clearing, You will ask for My name, address, date of birth and other information that will allow You to identify Me. You may also ask to see My driver's license or other identifying documents and subsequently make copies for the records.

An explanatory brochure is available upon request or at www.sipc.org or via telephone at (202) 371-8300. I understand that Axos Clearing has acquired an additional \$99.5 million coverage through a third party insurance company. This brings the total protection to \$100 million with a limitation of \$1.15 million on claims for cash balances for each client (as defined by SIPC rules). I understand that such coverage does not include transactions or trading losses or declines in the value of securities.
- Telephone Recordings.** I understand and agree that any telephone conversation with You will or may be recorded for accuracy and I consent to such recording.
- Oral Authorization.** I agree that You shall be entitled to act upon any oral instructions given by Me so long as You reasonably believe such instruction was actually given by Me.
- Payment of Indebtedness.** In the event I become indebted to You in the course of operation of this account, I agree that I will repay such indebtedness upon demand. I agree that if after demand I fail to pay the indebtedness, You may close My account and liquidate any assets in My account at Your discretion in an amount sufficient to pay My indebtedness. As security for any and all liabilities arising in favor of You, I pledge to Axos Clearing a security interest in all property held by Axos Clearing in any account maintained by Axos Clearing for Me individually, jointly or in the name of another person or entity. Axos Clearing is hereby authorized to make whatever disposition of pledged property it may deem appropriate to realize the security afforded by this provision, and I will remain liable for any deficiency. I further agree that Axos Clearing shall be entitled to exercise the rights and remedies, with respect to the pledged property, generally afforded a secured party under the Uniform Commercial Code. The reasonable costs of collection of any debit balance and any unpaid deficiency in My accounts, including attorney's fees incurred by You shall be reimbursed by Me to You.
- Sell Orders; Deliveries and Settlements.** Unless otherwise specifically designated, any order directing the sale of Property shall be deemed to be a "long" sale, and in connection with any such order, I represent that I am the owner of the property subject of such order and agree to deliver the property to You in negotiable form on or before the settlement date. In the event that I fail to deliver the property to You by the close of business on the settlement date, You are authorized, in your discretion and without notice to Me, to (i) delay settlement, (ii) purchase comparable property to cover My position, or (iii) cancel the transaction. You may also charge any loss (including Interest), commission and fees to My account.
- Buy Orders; Settlements.** When I have directed that property be purchased, I agree to provide sufficient collected funds to cover such purchase on or before the settlement date. In the event that I fail to provide sufficient funds, You may, at your option and without notice to Me, (i) charge a reasonable rate of interest, (ii) liquidate the property subject of the buy order, or (iii) sell other property owned by Me and held in any account. You may also charge any consequential loss to My account.
- Distributions.** In the event that I sell a security prior to its ex-dividend/distribution date, and I receive the related cash/stock dividend or distribution in error, I direct You on My behalf to pay such dividend/distribution to the entitled purchaser of the securities I sold, and I guarantee to promptly reimburse You for, or deliver to You, said dividend or distribution.

13.

13. **Restrictions on Trading.** I understand that You may, in Your sole discretion and without prior notice, prohibit or restrict the trading of securities, or the substitution of securities, in any of My accounts. I understand that You may execute all orders by Me on any exchange or market, unless I specifically instruct You to the contrary.
14. **Governing and Applicable Law.** This Agreement and all transactions made in My account shall be governed by the laws of the State of New York, (regardless of the choice of law rules thereof) except to the extent governed by federal securities law, the Federal Arbitration Act, and to the constitution, rules, regulations, customs and usage of the exchanges or market (and its clearing house) where executed.
15. **Ratification; Sub-Brokers and Agents; Extraordinary Events; Indemnification.** You may employ sub-brokers or other agents in connection with the execution of any order or the consummation of any other transaction hereunder, and You shall be responsible only for reasonable care in their selection. I understand that You shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, natural disasters or any other conditions or causes beyond Your control or anticipation, including, but not limited to, delays in the transmission of orders due to breakdown or failure of transmission or communication facilities. I agree to indemnify and hold You harmless from any loss, damage or liability arising out of any transaction in which You act, directly or indirectly, as My agent, absent any willful or grossly negligent conduct by You.
16. **Mutual Fund Transactions.** In the event that I purchase or hold a mutual fund, I agree to read and understand the terms of its prospectus. I understand that certain mutual funds reserve the right to change their purchasing, switching or redemption procedures and/or suspend or postpone redemptions under certain market conditions. I further understand that any mutual fund order entered with You is placed by You on a best efforts basis as prescribed and recognized by the individual fund, and that You are not responsible for unexecuted orders due to the failure of any communication system. I agree to be fully responsible for the information contained within the mutual fund prospectus and to hold You harmless for any deficiencies contained therein. I authorize You to act as My agent in the purchase and redemption of fund shares.
17. **Joint Account Authorization.** In consideration of Your carrying a joint account for the persons identified as the account holders, we jointly and severally agree to be fully and completely responsible and liable for this account and to pay on demand any balance due. Each of us, or any person authorized to act on behalf of the account under a separate agreement, has full power and authority to make purchases and sales, withdraw funds and securities from, or to do anything else with reference to the account. You are authorized and directed to act upon instructions received from any of us. Suitability information provided by us reflects the combined interests of all joint owners. We understand that tax reporting information is processed using the social security number of the person first named in the registration. Each of us agrees to hold You and Your employees and agents harmless from and indemnify them against any losses, causes of action, damages and expenses (including attorney's fees) arising from or as the result of You, Your employees or agents following the instructions of any of us. Axos Clearing in its sole discretion may at any time suspend all activity in the joint account pending instructions from a court of competent jurisdiction or require that instructions pertaining to the joint account or the property therein be in writing, signed by all of us. You may recover from the account or from any of us such costs as You may incur, including reasonable attorney's fees, as the result of any dispute among us relating to or arising from the account. Upon any event that causes a change in the ownership of the joint account (divorce, death, assignment, etc.), all remaining accountholders or survivors shall immediately notify You in writing. You may take such actions in the account as You deem advisable to protect against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of the decedent or departing accountholder shall be liable together with each of the remaining or surviving accountholders, jointly and severally, to You for any net debit balance or loss in the account in any way resulting from any transactions initiated prior to notification to You or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Notwithstanding the governing law provisions of this Agreement, the legal ownership of our accounts shall be governed by the internal laws of the state of residence.
18. **Liens.** I further agree, jointly and severally if this is a joint account, that all property including cash or securities You may at any time be holding or carrying for Me shall be subject to a lien in Your favor for the discharge of obligations of the account to You. Such lien is to be in addition to and not in substitution of the rights and remedies You otherwise would have.
19. **Definitions of the Word "Property."** For all purposes of this Agreement, the word "Property" means of all kinds, monies and all contracts, investments and options relating thereto, whether for present or future delivery, and all distributions, proceeds, products and accessions of all such property. This includes all such property held, maintained or carried by You in any manner for Me.
20. **Effect of Attachment or Sequestration of Accounts.** You shall not be liable for refusing to obey any orders given by or for Me with respect to any account(s) that has or have been subject to an attachment or sequestration in any legal proceeding against Me, and You shall be under no obligation to contest the validity of any such attachment or sequestration.
21. **Event of Death.** It is further agreed that in the event of My death or the death of one of the joint account holders, the representative of My estate or the survivor or survivors shall immediately give You written notice thereof, and You may, before or after receiving such notice, take such proceedings, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as You may deem advisable to protect You against any tax, liability, penalty or loss under any present or future laws or otherwise. Notwithstanding the above, in the event of My death or the death of one of the joint Account Holders, all open orders shall be canceled, but You shall not be responsible for any action taken on such orders prior to the actual receipt of notice of death. Further, You may in your discretion close out any or all of My accounts without awaiting the appointment of a personal representative for My estate and without demand upon or notice to any such personal representative. The estate of any of the account holders who shall have died shall be liable and each survivor shall continue liable, jointly and severally, to You for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by You of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interests of the respective parties. Such notice shall not affect Your rights under this Agreement to take any action that You could have taken if I had not died.
22. **Tax Reporting.** The proceeds of sales transactions and dividends paid will be reported to the Internal Revenue Service in accordance with applicable law.
23. **Information Accuracy.** I (a) certify that the information and representations contained in this Agreement and any other document or information that has been or will be furnished to You in connection with My account(s) is complete, true and correct, and acknowledge that knowingly giving false information for the purpose of inducing You to extend credit is a federal crime, (b) authorize You to contact any individual or firm noted herein or on the documents referred to in subsection (a) of this Section and any other normal sources of debit or credit information, (c) authorize anyone so contacted to furnish such information to You as You may request, and (d) agree that this Agreement and any other document or information I furnish in connection with My account is Your property, as the case may be. I shall promptly advise You of any changes to the information in such agreements, documents, or information. You may retain this Agreement and all other such documents or information and their respective records at Your sole discretion, whether or not credit is extended.
24. **Credit Information and Investigation.** I authorize You to obtain reports and provide information to others concerning My creditworthiness and business conduct. Upon My request, You agree to provide Me a copy of any report so obtained.
25. **Equity Orders and Payment for Order Flow.** Securities and Exchange Commission rules require all registered broker-dealers to disclose their policies regarding any "payment for order flow" arrangement in connection with the routing of customer orders. "Payment for order flow" includes, among other things, any monetary payment, service, property, or other benefit that results in remuneration, compensation, or consideration to a broker or dealer from any broker or dealer in return for directing orders. You transmit customer orders for execution to various exchanges or market centers based on a number of factors. These include: size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement) access to reliable market data, availability of efficient automated transaction processing and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the order-routing policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. The nature and source of any payments and/or credits received by You in connection with any specific transactions will be furnished upon written request.

26. **Free Credit Balances.** To the extent that I have elected to participate in the Axos Clearing Insured Deposit Program, I authorize You to invest the free credit balances in My account. I authorize You, without further notice, to redeem My funds from the program to the extent necessary to satisfy any debits arising in any of My accounts. I understand that I have the option of liquidating the balance of my program funds and either keeping them or returning the proceeds to My account. I have chosen this option in full understanding of the alternatives available to Me as well as the cost, benefits and risks of this selection and the alternatives.
27. **Fees and Charges.** I understand that there are charges for commissions and fees for executing buy and sell orders and for other services provided under this Agreement. I agree to pay such commissions and fees at the then prevailing rate. I acknowledge that the prevailing rate of commissions and fees may change and that change may occur without notice. I agree to be bound by such changes. I specifically agree to pay a reasonable rate of interest on the principal amount of any debit balance carried with respect to the account. Interest due on the account is payable on demand. In the case of any stock borrow I request, I understand and agree that Axos Clearing may charge Me borrow rates that it determines in its sole discretion and which Axos Clearing will disclose upon request to My Introducing Broker Dealer. I also agree to pay such expenses incurred by You in connection with collection of any unpaid balance due on My accounts, including, but not limited to, attorney's fees allowed by law.
28. **Prohibition on Freeriding.** In a cash account, a customer must pay for the purchase of a security before selling it. If a customer buys and sells a security before paying for it, the customer is engaging in an activity that is prohibited by federal regulations and which is called freeriding. Accordingly, I understand and agree that if I purchase securities in a cash account and sell them before payment is received by Axos Clearing, Axos Clearing will place that account on restricted status for a period of 90 calendar days following the trade date for a first offense, 180 days for a second offense, and 1 year for a third offense, or place other restrictions as required or permitted by law or regulation. During any period of restriction, unless My cash account contains funds in advance of the trade sufficient to pay for any new purchase in full, I agree that I will not be permitted to purchase or sell any new securities in that account. I agree that Axos Clearing will cancel or remove any trades from My cash account that are made in violation of these or any other legal or regulatory prohibitions on freeriding. Axos Clearing and I agree that nothing stated in this section constitutes a modification of any laws or regulations to which Axos Clearing and I are subject.
29. **Arbitration.**
- The following general provisions apply to all arbitrations pursuant to this section:**
 - All parties to this Agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.**
 - Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.**
 - Pre-arbitration discovery is generally more limited than and different from court proceedings. The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.**
 - The arbitration award is not required to include factual findings or legal reasoning and any party's right to appeal or seek modification of rulings of the arbitrators is strictly limited. The arbitrators do not have to explain the reason(s) for their award.**
 - The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.**
 - The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.**
 - The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this Agreement.**
 - Any controversy or claim arising out of or relating to this Agreement shall be settled by FINRA arbitration procedures then in effect. I agree that any judgment upon an award rendered by arbitration may be entered in any court having proper jurisdiction.**
 - This Agreement to arbitrate constitutes a waiver of the right to seek a judicial forum unless such a waiver would be void under the federal securities laws.**
 - No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until:**
 - the class certification is denied; or**
 - the class is decertified; or**
 - the customer is excluded from the class by the court.**

Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.
 - The venue for all arbitration proceedings arising out of or relating to this Agreement shall be Omaha, NE. By having an account subject to the terms of this Agreement, I acknowledge and accept Omaha as the arbitration hearing location.**
 - This Agreement to arbitrate does not entitle Me to obtain arbitration of claims that would be barred by the relevant statute of limitations if such claims were brought in a competent jurisdiction.**
30. **Notice.** All communications, including margin calls, may be sent to Me at the mailing address for the account or E-mail address that I have given to You, to either E-mail address in the case of joint accounts where each account holder has given an E-mail address (notice to both E-mail addresses is not required) or at such other address as I may hereafter give You in writing or by E-mail at least ten (10) days prior to delivery, and all communications so sent, whether in writing or otherwise, shall be deemed given to me personally, whether actually received or not.
31. **Headings.** The heading of each provision hereof is for descriptive purposes only and shall not be (i) deemed to modify or qualify any of the rights or obligations set forth herein or (ii) used to construe or interpret any of the provisions hereunder.
32. **No Waiver; Cumulative Nature of Rights and Remedies.** Your failure to insist at any time upon strict compliance with any term contained in this Agreement, or any delay or failure on Your part to exercise any power or right given to You in this Agreement, or a continued course of such conduct on Your part, shall at no time operate as a waiver of such power or right, nor shall any single or partial exercise preclude any other further exercise. All rights and remedies given to You in this Agreement are cumulative and not exclusive of any other rights or remedies to which You are entitled.
33. **Miscellaneous Provisions.** The following provisions shall also govern this Agreement:
- This Agreement and all documents incorporated by reference are governed by the laws of the State of New York.
 - I hereby ratify and confirm all transactions heretofore made and entered into with You.
 - This Agreement shall bind My heirs, assigns, executors, successors, conservators and administrators.
 - If any provision of this Agreement shall be determined to be invalid, the remainder hereof shall remain in full force and effect.
 - This Agreement may be terminated by either Me or You upon thirty (30) days written notice. I will remain liable to You for any charges due, whether arising before or after termination.
 - No provision of this Agreement may be altered, changed or revised except by a written instrument signed by Me and Axos Clearing.
 - I will notify You if any representation herein is or becomes materially inaccurate.
34. **Severability.** If any provisions or conditions of this Agreement become inconsistent with any present or future law, rule or regulation of any applicable government, regulatory or self-regulatory agency or body, or are deemed invalid or unenforceable by any court of competent jurisdiction, such provisions shall be deemed rescinded or modified, to the extent permitted by applicable law, to make this Agreement in compliance with such law, rule or regulation, or to be valid and enforceable, but in all other respects, this Agreement shall continue in full force or affect.

BY AGREEING TO OPEN AN ACCOUNT WITH AXOS CLEARING AND/OR HAVE MY ACCOUNT CARRIED BY AXOS CLEARING, I ACKNOWLEDGE THAT I HAVE RECEIVED, READ, UNDERSTAND AND AGREE TO THE TERMS SET FORTH IN THE FOREGOING AGREEMENT, AND THAT THIS AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE AT SECTION 29 OF PAGE 3.

Axos Clearing Insured Deposit Program — Summary of Terms and Conditions

Program Summary

The Axos Clearing Insured Deposit Program ("The Program") provides a cash sweep capability for customers. Under The Program provided by Axos Clearing LLC ("Axos Clearing", "The Firm", "We", or "Us ") and selected by your Introducing Broker Dealer and administered by a third party selected by the Firm ("Program Administrator"), your uninvested cash balances in eligible accounts will be automatically deposited into an interest-bearing Federal Deposit Insurance Corporation ("FDIC") insured deposit account at one or more of the banks or depository institutions participating in The Program, collectively called "Program Banks."

Your uninvested cash balances are deposited with a network of Program Banks in a manner designed to provide you with a maximum deposit insurance potentially in excess of the current FDIC limits (The Firm's current limits are available at www.axosclearing.com). A separate account for the benefit of Program participants will be established at each of The Program Banks for deposit in The Program (the "Deposit Accounts"). Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. The Deposit Accounts will be insured by the FDIC within certain applicable limits. FDIC insurance will not cover amounts over the applicable maximum insurance limit that you have on deposit with any particular Program Bank.

All activity with respect to your accounts will appear on your periodic account statement, including the total of your opening and closing account balances in The Program and a breakdown of your bank deposit balance at each individual Program Bank at which you have deposits. If you maintain a separate account at a Program Bank outside of The Program, you are responsible for monitoring the total amount of deposits that you have with The Program Bank to determine the extent of deposit insurance coverage available to you. The total amount of FDIC insurance coverage may change at any time.

The Program is your default sweep option for available cash in your eligible accounts. By your participation in The Program, you acknowledge that you have received and carefully read these Terms and Conditions. If you have any questions about any of the provisions of these Terms and Conditions, please contact your Introducing Broker Dealer.

The Program should not be viewed as a long-term investment option. If you desire to maintain invested cash balances for other than a short-term period and/or are seeking the highest yields currently available in the market, please contact your Introducing Broker Dealer to discuss investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs. Please keep in mind that such outside investment options may not be FDIC insured and may not include the automatic sweep features included in The Program.

As provided in your account agreement with your Introducing Broker Dealer and the Customer Agreement, The Firm is the carrier of your brokerage account as clearing broker pursuant to a clearing agreement with your Introducing Broker Dealer. As clearing broker, The Firm provides certain administrative services in connection with The Program. The services rendered by The Firm in connection with The Program are not intended to create a joint venture, partnership, or other form of business organization of any kind with any other party. The Firm shall not be responsible or liable for any acts or omissions of your Introducing Broker Dealer, any Program Bank, or their respective employees. The Firm provides no advice regarding The Program, nor does The Firm give advice or offer any opinion with respect to the suitability of any transaction or order in connection with your brokerage account. Neither your Introducing Broker Dealer nor any Program Bank is acting as the agent of The Firm. You agree that you will not hold The Firm, its affiliates, and its officers, directors, and agents liable in connection with any transactions related to The Program.

Differences Between Axos Clearing Insured Deposit Program and Holding Deposits in a Cash Account

The Program and cash balances are subject to differing risks and account protection. Cash balances are not bank accounts and not subject to FDIC insurance protection. The Program is covered by FDIC. Deposits in The Program equal to or less than the maximum FDIC deposit insurance limit are insured against the risk of a Program Bank's failure.

FDIC Coverage and Limitations

Upon deposit into The Program, your deposits are insured by the FDIC, an independent agency of the federal government backed with the full faith and credit of the U.S. Government, up to the current FDIC limit per depositor for each category of legal ownership. To provide potential additional coverage, The Program uses a network of Program Banks in a manner designed to provide you with a maximum deposit insurance limit in excess of the current FDIC limits per depositor for each category of legal ownership. If the amounts deposited in The Program exceed the maximum deposit insurance limit, the excess funds will be deposited at a Program Bank and not be insured by the FDIC. If you have or make deposits on your own with a Program Bank, neither Axos Clearing nor your Introducing Broker Dealer will be aware of these deposits and they may not be insured.

Additional FDIC insurance coverage may also apply to certain categories of legal ownership. For additional information and any other questions about FDIC Deposit Insurance coverage, you may wish to seek advice from your own legal advisor. You may also obtain information by contacting the FDIC, Division of Supervision and Consumer Protection, by letter (550 17th Street, N.W., Washington, D.C. 20429), by phone (877-275-3342, 800-925-4618 (TDD)), by e-mail (dcainternet@fdic.gov), or by accessing the FDIC Web site at www.fdic.gov.

Your Responsibility

You must monitor and determine the best sweep option for you under The Program. You may elect not to participate in The Program and instead periodically invest cash balances directly into investment options that may be available outside of The Program to help maximize your return potential consistent with your investment objectives, risk tolerance and liquidity needs.

You are responsible for monitoring the total amount of all deposits you have at each Program Bank for purposes of calculating your FDIC insurance coverage. Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. If your total funds on deposit at any individual Program Bank exceed the maximum deposit insurance limit, the FDIC will not insure your funds in excess of the limit.

Interest

The Program Banks will pay interest on funds in The Program at a variable rate established periodically by The Firm based on prevailing market, economic and other business conditions. The Firm may change the interest rate at our discretion without notice to you. The Firm may establish a schedule of rates to be applied to accounts based on, among other things, the total value of household assets in your brokerage accounts. The asset tiers and interest rates may be changed by The Firm from time-to-time. Current interest rate information is available by contacting your Introducing Broker Dealer.

Interest on funds in The Program will accrue from the day funds are deposited by us into The Program up to, but not including, the day of withdrawal. The Program Banks will use the daily-balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Interest will be compounded monthly and will be credited to your account on or about the 25th day of each month (or preceding business day if the 25th day is not a business day). You will receive a 1099-INT form from The Firm indicating the amount of interest paid to you.

Fees

No direct fees will be assessed to you or deducted from your brokerage account with respect to The Program. We may, without notice, refuse any deposit, close any account or impose a fee, if your actions become administratively burdensome.

Program Compensation

No direct fees will be assessed to you or deducted from your specified rate of return. Instead fees are collected from The Program Banks. The fee of the Program Administrator will be collected from The Program Banks in the form of fees collected in addition to interest paid on The Program. The Firm will receive a fee from the Program Administrator that varies depending on the balance in your account, the service plan you may be on and other factors. Although the actual fees are subject to change and vary depending on the tier and other factors (please see our website at www.axosclearing.com for the applicable rate structure), this fee currently is expected to range from .5% to 6.0%. This fee is subject to change and we may waive all or part of this fee. Other than applicable fees charged by us on a brokerage account, there will be no charge, fee or commission charged to your account with respect to The Program.

Eligibility

The Program is available to individuals, certain non-profit organizations and to certain fiduciaries and trusts, provided that the beneficiaries are individuals or otherwise eligible. Accounts in the name of business entities including corporations, limited liability companies and partnerships are also eligible for The Program. Excluded are all plans subject to the Employee Retirement Income Security Act of 1974, as amended. Please contact your Introducing Broker Dealer if you are unsure if your account(s) are eligible.

Deposits

Because The Program is your default sweep option for cash balances in your eligible account, unless you elect out of The Program you will have cash balances in your eligible account(s) automatically deposited in Deposit Accounts at The Program Banks. These Deposit Accounts will receive FDIC coverage up to The Program's maximum deposit insurance limit. There is no minimum initial deposit. Funds will be deposited into a Deposit Account under the following circumstances: (i) in the case of available cash balances resulting from the proceeds of securities sales, on the settlement date of the securities sale; and (ii) in the case of available cash balances resulting from non-trade-related credits (e.g., the receipt of dividend or interest payments or a deposit in the brokerage account), on the business day after receipt into your brokerage account of the non-trade-related credit. Funds deposited into a Deposit Account will begin earning interest from the day that they are received by The Program Bank. Your deposit will be in book entry form and, therefore, you will not receive a passbook or a certificate. Your uninvested cash balances will be deposited into a Settlement Account, which will allocate your deposits to any eligible Program Bank according to an order of priority established from time-to-time. Once your funds in a Deposit Account at any of the individual Program Banks reach 95% of the applicable FDIC insurance limit, any additional funds will be deposited at another Program Bank. You may exclude any Program Bank from being able to receive your uninvested cash balance at any time. For example, you may want to exclude any Program Bank at which you maintain balances (e.g. Certificates of Deposit, checking account deposits) which, when added to amounts in the Deposit Account, might exceed the maximum deposit insurance limits. This exclusion may be accomplished at the time of your initial deposit into The Program, or at any other time by contacting your Introducing Broker Dealer and may impact the overall FDIC coverage available to you through The Program. The list of Program Banks participating in The Program is available from your Introducing Broker Dealer. In addition, The Program Banks in which your Program balances were invested will be listed on your periodic account statement.

Program Banks may be added or removed from The Program. It is your responsibility to monitor your Program deposits with each Program Bank in order for you to determine the extent of insurance coverage available to you.

Deposit Accounts are established on an omnibus basis at each Program Bank, with records of ownership in a manner consistent with FDIC rules governing "pass through" deposit insurance. The Program Administrator also serves as a finder assisting in locating and negotiating deposit arrangements with Program Banks. The Firm, may at any time select a different Program Administrator or finder or the role in The Program of the Program Administrator or finder may be eliminated altogether.

Withdrawals

All withdrawals necessary to satisfy debits in your brokerage accounts will be made by us. A debit will be created, for example, when you purchase securities or request withdrawal of funds from your brokerage account, when you write a check, or use other withdrawal methods (such as through an ACH). Checks written on your brokerage account are not drawn directly against the amounts deposited for you at any of The Program Banks, but the money is transferred back from The Program Banks to an intermediary bank and then to us, and then used to satisfy your debit through The Program. Withdrawals may not be made directly from The Program Banks, except through The Firm.

The funds necessary to satisfy debits in your securities account will be drawn from your account in the following order: (i) free credit balances in your brokerage account (if any); (ii) balances in your money fund (if any); and (iii) amounts in The Program Account.

Electronic Funds Transfers

The only items processed through The Program are deposits from the brokerage account to The Program Banks, transfers among The Program Banks, and transfers back to the brokerage account from The Program Banks.

The Program does not allow electronic funds transfers, ATM access, check-writing, deposit, point-of-sale terminal access, pre-authorized payments to third parties, access by credit or debit card or ACH transfers directly from The Program Bank Deposit Accounts.

Program Deposit Account Error Resolution Notice

Please contact your Introducing Broker Dealer as soon as possible if you think The Program Deposit Account portion of your statement is wrong or if you need more information about a transfer listed on the statement. Your Introducing Broker Dealer must hear from you no later than fifteen (15) business days after the date of the statement on which the claimed problem or error first appeared. In making that contact you must:

- (1) Provide your name and account number (if any);
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
- (3) Provide the dollar amount of the suspected error.

If you provide this information orally, you may be required to send your complaint or question in writing within fifteen (15) business days.

It will be determined whether an error occurred within fifteen (15) business days after hearing from you and any actual error will be promptly corrected. If more time is needed, however, it may take up to forty-five (45) business days to investigate your complaint or question. In such case, it will be requested that The Program Bank credit your Program Deposit Account within fifteen (15) business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete the investigation. If you are asked to put your complaint or question in writing and your Introducing Broker Dealer does not receive it within fifteen (15) business days, The Program Bank may not credit your Program deposit account.

For errors involving new Program Deposit Accounts, it may take up to ninety (90) business days to investigate your complaint or question. For new Program Deposit Accounts, The Program Bank may take up to twenty (20) business days to credit your Program Deposit Account for the amount you think is in error.

Your Introducing Broker Dealer will contact you with the results within three (3) business days after a investigation is completed. If it is determined that there was no error, a written explanation will be provided. You may ask for copies of the documents used in the investigation.

Account Information

Activity with respect to your funds in The Program, including The Program Banks in which your funds are invested and the interest rate paid to you, will appear on your periodic brokerage account statement. For each statement period, your brokerage account statement will reflect: (i) all deposits to and withdrawals from your Program account; (ii) the opening and closing balances of your Program account; (iii) interest earned on your Program account balances; and (iv) the detail of balances held in your Program account at each Program Bank.

Summary of Certain Relationships

All Program Banks in The Program are depository institutions duly chartered under the laws of the United States or a State thereof, the deposits of which are insured by the FDIC. Your Introducing Broker Dealer and The Firm are broker-dealers registered with the U.S. Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). Your Introducing Broker Dealer and The Firm are not banks. Deposit Accounts are held by the respective Program Banks.

Pursuant to the clearing agreement between Your Introducing Broker Dealer and The Firm and acting on the instructions of your Introducing Broker Dealer, The Firm will act as exclusive custodian and agent with respect to all transactions related to The Program. The Deposit Accounts established for The Program will be evidenced by a book entry on the account records of each such Program Bank. The Firm and its agents will maintain records of your interest in each Deposit Account. No evidence of ownership, such as a passbook or certificate, will be issued to you.

All questions regarding your funds in each Deposit Account should be directed to your Introducing Broker Dealer and not The Program Banks. No Program Bank will accept any instructions concerning your deposits in a Program Bank through The Program unless such instructions are transmitted by The Firm or an authorized agent on its behalf.

The Firm will assume the responsibility and the risk of loss for any of your funds transferred from The Program Banks that have been delivered by you to your Introducing Broker Dealer. Until the funds have been received in the Settlement Account maintained at a designated bank (the "Settlement Bank"), withdrawals will be deemed paid by a particular Program Bank when such funds are transmitted by the Program Bank to the Settlement Account. The Program Bank will be released from all liability for such withdrawn funds once the Program Bank delivers those funds to the Settlement Account. The Program Banks are not responsible for the actions of the Program Administrator or for the actions of your Introducing Broker Dealer or The Firm, with respect to The Program or otherwise. Each Program Bank deposit account is an obligation of The Program Bank and is not directly or indirectly an obligation of The Firm. Program Banks are selected by The Firm and Program Banks included in The Program are subject to change at any time. You can obtain publicly available financial information concerning any or all of The Program Banks at www.FDIC.gov or by contacting the FDIC Public Information Center by mail at 801 17th Street, N.W. Room 100, Washington DC 20434 or by phone at 800-276-6003.

The Firm does not guarantee in any way the financial condition of any Program Bank or the accuracy of any publicly available financial information concerning a Program Bank. You may exclude deposits of any Program Bank from inclusion in your brokerage account by contacting your Introducing Broker Dealer. By your continued use of The Program, you agree to the terms provided herein.

Waiver of Confidentiality

You expressly give consent for federal or state regulators to access your customer account information for audit and review purposes.

Changes to the Program

Your Introducing Broker Dealer or The Firm may modify or cancel The Program at any time, which may result in changing the sweep option for your account. If we make any change, there is no guarantee that such change will provide an equal or greater rate of return to you on your uninvested cash balances during any given period, and the rate of return may be lower. You will receive advance notice of any change that results in changing the sweep option for your account. Unless you object within the time period specified, we will transfer the balances from your prior sweep into any new sweep.

Relationships and Your Privacy

Although your Introducing Broker Dealer, The Firm, and The Program Banks may share certain information about you and your accounts, information shared with Program Banks will be handled in accordance with the privacy policies of The Firm and your Introducing Broker Dealer.

Inactive Accounts

The Firm may be required by law to turn over (escheat) funds in your Program Deposit accounts to a state, typically your state of residence, based on account inactivity for a certain time period established by applicable state law. If funds are remitted to the state, you may file a claim with the state to recover the funds within the time periods established by state law.

Transferability

Your Program Bank deposit accounts may not be transferred by you to another owner except by a change in ownership of your brokerage account. A transfer that occurs due to death, incompetence, marriage, divorce, attachment or otherwise by operation of law, shall not be binding until sufficient documentation has been received.

Closing of Account

If you close or The Firm closes your brokerage account, your associated Program Bank deposit accounts will also be closed and the funds in your Program Bank deposit accounts will be distributed out through your brokerage account.

Right of Set-Off

Under the terms of your Customer Agreement, funds in your Program Bank deposit accounts may be charged or set-off against indebtedness or obligations you have. For further information on such indebtedness or obligations, please review your Customer Agreement.

This Alternative Investment Investor Custody Agreement ("Agreement") is intended to supplement the Customer Agreement governing your account with Axos Clearing LLC ("Account"). Your broker-dealer or investment advisor (collectively referred to as "Advisor") has engaged Axos Clearing LLC ("Axos Clearing") to provide custody and clearing services for one or more Alternative Investments in your Account. Alternative Investments include certain publicly or non-publicly traded alternative investment assets and does not include equity securities of a Direct Participation Plan ("DPP") or Real Estate Trust ("REIT"), on deposit in a registered securities depository and settled in the regular way, listed on a national securities exchange or NASDAQ, or any equity securities of a DPP registered as a Commodity Pool with the Commodities Futures Trading Commission. Contact your Advisor for more information on which investments are considered Alternative Investments. The holding of an Alternative Investment(s) in your Account imposes additional burdens upon Axos Clearing. Axos Clearing will allow you to acquire and hold an Alternative Investment in your Account if you have provided to Axos Clearing certain representations and acknowledgments and agree to assume certain responsibilities. By signing this Agreement below, you direct Axos Clearing to custody an Alternative Investment and agree that Axos Clearing only provides clearing and custody services for your Alternative Investment and does not provide investment advice or serve as a fiduciary to your Account. You agree to the terms and conditions in this Agreement as long as you continue to custody an Alternative Investment(s) and maintain your Account.

In order to custody Alternative Investments in your Account, Axos Clearing requires that you complete and sign this Agreement in addition to the Customer Agreement required for all accounts held at Axos Clearing. The information that follows is a description of some, but not all, of the representations, acknowledgments, and terms and conditions to custody your Alternative Investment(s).

THIS AGREEMENT IS A LEGAL DOCUMENT THAT WILL IMPOSE CERTAIN DUTIES AND RESPONSIBILITIES AND WHICH MAY AFFECT LEGAL RIGHTS. BEFORE SIGNING THIS TERMS OF USE, PLEASE CONSULT WITH YOUR LEGAL ADVISOR.

Obligations of Axos Clearing LLC:

Axos Clearing's obligations are solely to hold the Alternative Investment in custody in your Account. Axos Clearing's obligation to hold the Alternative Investment in custody does not include an obligation to notify you (or any other party) of the receipt or failure to receive any amount, to forward to you any notices with respect to the Alternative Investment, to monitor or report to you as to the performance or nonperformance of any person with respect to the Alternative Investment (or the performance or nonperformance by any person of any obligation to term contained in, or imposed by, the Alternative Investment) or to take enforcement or other action with respect thereto, regardless of whether Axos Clearing has any actual or constructive knowledge which might make such action or inaction advisable. The obligations of Axos Clearing with respect to the Alternative Investment are those herein specifically provided and no other. If the Alternative Investment, or the terms of the acquisition or disposition thereof, requires or makes advisable the taking (or refraining from taking) of any action, then your Advisor and not Axos Clearing shall have the sole obligation to take (or refrain from taking), or instruct Axos Clearing to take (if such action can only be taken by Axos Clearing), such action, including, by way of illustration and not by way of limitation, retaining sufficient other assets in the account to meet any capital calls or pay any expenses for, or relating to, the administration or maintenance of the Alternative Investment, retaining in the account property required to be sold pursuant to the terms of any option, and filing such documents as may be necessary or advisable to preserve, protect, or defend the title to the investment.

Indemnification:

You agree to indemnify and hold Axos Clearing, their affiliates and their respective officers, directors, employees, agents, affiliates, shareholders, successors, assigns and representatives harmless from any losses, demands, claims, damages or liability and expenses, attorney's fees, and taxes arising out of any transaction in which Axos Clearing acts, directly or indirectly, as your agent, absent any willful or grossly negligent conduct by Axos Clearing. You further agree to indemnify and hold your Axos Clearing, its affiliates and their respective officers, directors, employees, agents, affiliates, shareholders, successors, assigns and representatives harmless from any consequences of your investment in the Alternative Investments, including, but not limited to, financial loss or failure of any kind, information errors provided to Axos Clearing by the issuer, its officers or employees, or any valuation services, or any misfeasance, fraud or misappropriation of funds by the publicly or non-publicly traded entity, its officers, employees or agents.

This provision shall survive the termination of this Alternative Investment Purchase Agreement and the Alternative Investment Investor Custody Agreement, and any other agreement relating to any account you have with Axos Clearing and shall be binding upon, and inure to the benefit of, each party's respective successors, assigns, heirs, and personal representatives.

Axos Clearing may transfer your Account(s) to Axos Clearing's successors and assigns. This Agreement shall be binding upon you and your heirs, executors, administrators, successors and assigns. Your failure to insist on strict compliance with this Agreement is not considered a waiver of Axos Clearing's rights under this Agreement.

More specifically, this Indemnification provides that you indemnify and hold harmless Axos Clearing from and against any and all liabilities, penalties, losses, damages, claims, costs, expenses, and disbursements (including legal fees and expenses) which may be imposed upon, incurred by, or asserted against Axos Clearing, including, but not limited to, the following:

Axos Clearing's Right to Terminate Agreement:

Axos Clearing reserves the absolute right to terminate this Agreement to hold the Alternative Investment in the account, including IRAs (as applicable) at any time and for any reason whatsoever, and Axos Clearing shall have no liability or responsibility to you for any loss, loss of value, damage, or expense suffered or incurred by you by reason of the termination of this Agreement. Upon receipt of notice from Axos Clearing of the termination of this Agreement and to hold the Alternative Investment, you shall instruct Axos Clearing as to the disposition thereof, and if the your Advisor fails to provide Axos Clearing with any such instructions within 30 days of the date of Axos Clearing's notice, you agree that your Advisor shall be deemed to have instructed Axos Clearing to distribute the investment in-kind to you.

Nothing contained herein constitutes any agreement to hold any Alternative Investment into which the investment may be converted, whether pursuant to the terms of the investment in the Alternative Investment asset, by reason of any option or conversion privilege contained therein, or upon any enforcement of rights or remedies with respect to the investment in the Alternative Investment asset, and to seek Axos Clearing's Terms of Use to hold any investment into which the investment may be converted.

Additional Provisions for IRA's:

An IRA custodian (i.e., Axos Clearing) is not required to hold all investments made by your IRA and many institutions which act as custodians of IRAs will not allow you to hold an Alternative Investment in your IRA. As a result, if you acquire an Alternative Investment in your IRA, you may thereafter be unable to transfer your Alternative Investment to an IRA maintained by a custodian other than Axos Clearing. Therefore, you may be required to continue to utilize Axos Clearing as a custodian of your IRA, at least with respect to the non-publicly traded investment, so long as that non-publicly traded investment is held in your IRA. Furthermore, in the event that Axos Clearing should resign as custodian of your IRA or Axos Clearing should revoke its consent to hold the non-publicly traded investment (as Axos Clearing is allowed) in your IRA, you may be forced to sell your non-publicly traded investment if you cannot find another custodian who will agree to hold the non-publicly traded investment in your IRA.

You acknowledge that Axos Clearing, as custodian of your Account, is required by law to file an annual federal income tax return on behalf of the IRA for each year in which the IRA has unrelated business taxable income ("UBTI") of more than \$1,000. In cases where a Form 990-T tax return must be filed, you agree to provide to Axos Clearing (no later than April 15 of the year following the year in which the tax was incurred) a completed Form 990-T along with any applicable Form(s) 1065 (Schedule K-1's) which sets forth the IRA's shares of income from the partnership. Axos Clearing will file the annual tax return with the Internal Revenue Service and pay the tax from funds available in the IRA. You agree that, if your IRA holds assets that generate UBTI, your IRA at all times will contain liquid funds to pay any tax imposed on UBTI at the time this tax obligation becomes due.

The Employee Retirement Income Security Act of 1974 ("ERISA") and/or Section 4975 of the Code prohibit certain transactions involving IRAs. The determination of whether the purchase, holding, or transfer of an Alternative Investment as instructed pursuant to this Agreement is a prohibited transaction under ERISA and/or the Code depends on the facts and circumstances surrounding the transaction. You represent that you have consulted with your Advisor to determine any particular Alternative Investment in your IRA does not result in a non-exempt prohibited transaction under ERISA or the Code.

Some Alternative Investments require that you sign a subscription Terms of Use and/or investor questionnaire acknowledging certain matters, representing, among other things, that you are an "accredited investor" and indemnifying the sponsor of the Alternative Investment for various matters. Your Advisor, not Axos Clearing, is responsible for making all of the representations, warranties, and/or Terms of Uses required as a condition to the purchase of the Alternative Investment. However, you should clearly indicate in any subscription Terms of Use that the Alternative Investment is being acquired through your IRA and that the Alternative Investment should be registered as "Axos Clearing LLC" FBO [Your Name] IRA."

By completing and signing this Terms of Use, you represent that the offering entity or any affiliate thereof is neither a "disqualified person" as defined in IRC Sec. 4975(e)(2), nor a "party in interest" as defined in ERISA Section 3(14), that none of the principals/shareholders of the Alternative Investment referenced above are your Advisor, or paid consultant, that if that were the case, the transactions could in fact be considered a prohibited transaction as defined in Internal Revenue Code Section 4975. You agree to hold Axos Clearing harmless should it be determined that any transaction you or your Advisor makes involving an Alternative Investment is a prohibited transaction.

Clearing, custody or other brokerage services provided by Axos Clearing LLC, Member FINRA & SIPC. Axos Clearing LLC is a subsidiary of Axos Financial, Inc. Trademark(s) belong to their respective owners.

If your investment in an Alternative Investment is a prohibited transaction, your IRA may be subject to loss of tax-deferred status and subject to a full account distribution or to the imposition of excise taxes by the Internal Revenue Service (IRS) or Department of Labor (DOL).

Notice of Non-Marketable Positions:

Axos Clearing reserves the right to remove from your Account any security deemed to have been cancelled or otherwise invalidated ("Non-Marketable"). In determining that a security is non-marketable, you agree that Axos Clearing has derived information on such assets from you or from third parties and Axos Clearing is not responsible for the accuracy or reliability of any information regarding these assets.

Non-Marketable securities may include, but are not limited to the following:

- I. Bankrupt securities;
- II. Securities that are not able to be priced in the past eighteen (18) months; or
- III. Securities that have had the registration revoked.

Axos Clearing will notify you if it has removed a non-marketable security from your Account. Unless you provide Axos Clearing with verifiable evidence of the validity of the security within sixty (60) days of the notice of removal, you agree to indemnify and hold Axos Clearing harmless from any and all liabilities, penalties, losses, damages, claims, costs, and expenses resulting from the removal of such securities and agree to waive any claim to any future distribution from the securities. If you provide Axos Clearing with verifiable evidence of the validity of the security from an independent third party within sixty (60) days of receiving the notice of removal, Axos Clearing will reinstate the position.

Valuation of the Investment:

- I. You represent and warrant that the value of the investment as specified in the Alternative Investment Purchase Agreement and in any notice pursuant to paragraph (ii) below represents the current fair market value of the investment on the date hereof.
- II. Axos Clearing shall have no obligation to investigate or determine whether there has been any change in that fair market value. If the fair market value is requested by Axos Clearing in writing and no value is provided by the issuer or other third-party evaluator, the value will be priced at zero.

No Change to My Customer Agreement:

You understand and acknowledge that this Agreement, including the above understandings, representations, terms and conditions, and acknowledgments, does not supersede, modify, or in any way affect the understandings, representations, terms and conditions, and acknowledgments made by me in any other agreement governing the terms and conditions of your Account. You hereby affirm that each and all other understandings, representations, terms and conditions, and acknowledgments with Axos Clearing which are hereby incorporated by reference. This includes but is not limited to Axos Clearing's authorization to rely on the directions or instructions of any account owner if there is more than one account owner, or an Advisor on behalf of any account owner. You understand that Axos Clearing reserves the right to refuse to accept any Alternative investment and shall have no liability with respect to any such refusal. You acknowledge receiving a copy of this Agreement.

This agreement pertains to all Alternative Investment transactions in your Account and/or IRA. You also agree that this Agreement will be subject to the arbitration provisions at the sections with the caption "Arbitration" in the terms and conditions of my Axos Clearing Customer Agreement.

Axos Clearing LLC 08/22

Representations:

You understand, agree to, and acknowledge the following: (i) the purchase of the Alternative Investment has not been solicited by Axos Clearing, that Axos Clearing is acting only in its capacity as custodian of your Account for purposes of the purchase or sale of the Alternative Investment (and if the Alternative Investment is registered under the Securities Act of 1933, as amended Axos Clearing may also act as agent for the purpose of forwarding funds and taking delivery of the securities); and you assume full responsibility for the transaction; (ii) if this security is being offered to you by means of a prospectus or offering documents, you have received such prospectus or offering documents from the issuer or seller of the security; and (iii) Axos Clearing will, at your instruction, as an accommodation to you and in its capacity as custodian of your Account, deliver funds from your Account to the issuer/seller or its designee and receive the security into Your Account. You understand that if the security is being offered to you by means of a prospectus, pursuant to the distribution and investor servicing agreement as described in the prospectus (if applicable), Axos Clearing may have entered into a selling or servicing agreement with the distributor of the security, the advisor to a fund, or the fund and accordingly may be entitled to receive investor servicing fees while the security is held in custody for me at Axos Clearing and should be registered as "Axos Clearing FBO [Your Name]." You also represent that the above purchase for, or transfer or deposit, of securities into your Account does not constitute a non-exempt prohibited transaction within the meaning of the Employee Retirement Income Security Act of 1974, and amended ("ERISA") or Internal Revenue Code ("code") Section 4975. In particular, you represent that: (i) the issuer of the security (or any affiliate thereof) is neither a "disqualified person" as defined in Code Section 4975(e)(2), nor a "party in interest" as defined in ERISA Section 3(14); (ii) none of the principals/shareholders of the issuer of the security referenced above is my advisor or other paid consultant to me; and (iii) you understand, if that were not the case, that the transaction may be considered a non-exempt prohibited transaction under ERISA and/or the Code. You confirm as the date hereof all of your understandings, representations, warranties, and acknowledgments in my Alternative Investment.

Acknowledgement of Risk:

You acknowledge that investing in publicly or non-publicly traded securities, including Alternative Investments in your Account, can be very risky.
